Electricity

We provide all the electricity (64 amps) you might need for your marquee, music, and caterers at no extra cost!

No Corkage Charge

Supply your own wines or drinks for your guests during the day, with no surcharge. All Evening Receptions require a manned, formal bar set-up. We have some fantastic Bar Suppliers on our Contacts List so that you can provide a pay bar for your guests.

Spotlit Gardens

We provide, free of charge, eco lights in several of the fruit trees and near the marquee area. There are spot lights and eco lights around the decking, near the pond and in the Spinney up to the car park, to provide safe and magical lighting throughout the grounds.

Pre-Wedding Planning

We require all couples to meet with Nicky and Lucy in advance of their wedding to ensure that everything runs smoothly on the day and that both Lantallack Weddings and the couple are fully aware of each other's expectations. We require a detailed list of your suppliers and timings, in order that we can ensure that everything runs smoothly. Nicky and Lucy are happy to spend up to 6 hours with each couple or their suppliers, while planning their wedding day. Should you wish to have a Wedding Planner, we can highly recommend one.
